Bobbleheart hat

By: Pysselofix – Helena Molinsky

Yarn: Scheepjes - Soft Fun or Merino Soft. 2 skeins, if you like to make a pom-pom of yarn you will need an extra skein.

Hook: 4mm

Abbreviations (US)

ch - chain

sc - single crochet

dc - double crochet

2sc tog - two single crochet made together

fpdc - front post double crochet

bpdc - back post double crochet

Bobble stitch - 5 doubble crochet made together in one stitch.

Good to know: You crochet the hat back and forth, turns the work between each row and then sew the hat in the back when finished.

Elastic edges

Make a number of chain divisible with five and then add three stitches. (I made 93)

1: Start in the third stitch from the hook and make 1dc in every stitch.

2: ch2, skip the first stitch. 3fpdc, 2bpdc. Repeat the entire row and end with 1dc *around* the 3 chains in the beginning of last row.

3: ch2, 2fpdc, 3bpdc. Repeat the entire row and end with 1dc *around* the two chains in the beginning of last row.

4-6: Repeat row 2 and 3 and 2, you will them have five rows of back and front post stitches.
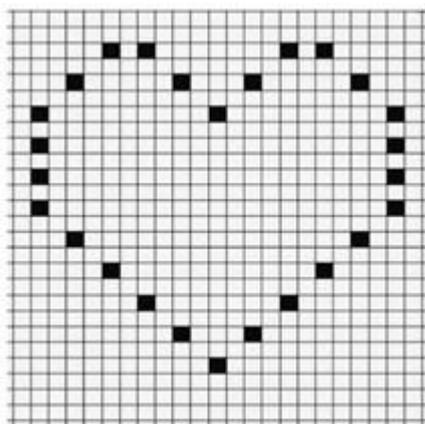

The hat:

1: ch1, skip the first stitch, 1sc in every stitch.

2-3: ch1, 1sc in every stitch.

Find the middle stitch of the row and place a marker. It is that stitch you will count from, and place the first bobble stitch in, when you crochet the heart.

4-25: ch1, 1sc in every stitch, except from the middle 21 stitches where some are replaced with a bobble stitch, according to the diagram below. The white boxes are a single crochet and the black ones are a bobble stitch.

26-39: ch1, 1sc in every stitch.

Do you want a slightly higher hat simply add a couple of rows with single crochet before you begin to decrease as follows:

40: ch1. 2sc tog, repeat the entire row.

41: ch1, 1sc in every stitch.

42: ch1. 2sc tog, repeat the entire row.

43: ch1. 2sc tog, repeat the entire row.

Fold the hat in the middle and sew or crochet it together. Pull the top of the hat together by making some stitches at the upper edge.

Make a pom-pom or add a fake fur ball to the top.
