

Infinity Dream Scarf

By: Pyssefix – Helena Molinsky

Yarn: Pingouin - Pingo Dream, one skein each of Acier, Flanelle and Ecrú.

Needle: 8mm

Measure: 160cm.

The infinity scarf is knitted in one length and then assembled, short side to short side.

I have chosen to do mine in three colors and change color after 12 turns. I have then repeated each color seven times. It became very big and cozy.

Pattern

Cast on 31 stitches in the gray yarn Acier.

1 – wrong side: Knitt all stitches.

2 – right side: Knitt 1, purl 1, (knitt 1 in the stitch below the next stitch – *see the picture below*, knit 1) x14. Knitt 1.
